Add some colour to your aquarium, fishbowl or vase with Aqua One's Betta Naturals Gravel range!

Available in a variety of colours to create an aesthetically pleasing display.

Suitable for: Betta

Features & Benefits:

- Brighten up your Betta's home
- Mix and match colours
- Can be used for decorating aquariums, fishbowls & vases

Notes, Hints & Tips:

- To maintain optimum health for your fish, it is essential to clean the gravel regularly. At least once a month.
- The Aqua One ProVac Gravel Cleaner (#20132 - 20134) can help make cleaning time a breeze.

Warning and Disclaimers:

- Keep out the reach of children – Small objects may be swallowed.
- Wash thoroughly before use. Do not use harsh chemicals or detergents.
